OTH REGENSBURG

STUDY RESEARCH EDUCATE THE OTH

BACHELOR OF SCIENCE (B.SC.)

## Study International Computer Science

The International Computer Science degree is ideal for those students who want to develop their interest in software and technology within a global context. As well as developing IT skills and knowledge demanded across the world, you'll be taught in English and also spend your fifth semester doing an industrial placement. After graduating you will be both qualified and experienced enough to make a smooth transition to one of the many professional computer science opportunities within the global IT market.

application info

Go to the page of your desired study programme and click on this field

Here you will find all important information, e.g. application deadline, language of instruction, admission, etc.

We have chosen the Bachelor's degree programme [International Computer Science](#) (ICS) as an example

- Application Deadlines
- International
- Without A-levels

This information is very important for you!

1. As your first step, please register at **hochschulstart.de**. Our **checklist** summarizes all the important information for you.
2. After registering at "Hochschulstart", please apply in the OTH Regensburg **application portal**.
3. The application process is done online. Complete the online application and upload all required application documents. This includes as a minimum...
6. If all application documents have been received within the application deadline and are valid, you will then be included in the **allocation procedure** for a place of study. Please note that the application deadline is a cut-off deadline. This means that you will not be able to submit an application after the deadline and thus will not be considered in the current application process.
7. After your application has been processed, you will receive an e-mail with further information from the Admissions and Organisation Department of the OTH Regensburg as confirmation of receipt.
8. So what comes next? You can find all the information you need in the section under Admissions and Enrolment.

**Start your application now:**

- 1. Step. Hochschulstart
- 2. Step. application portal

Since ICS is a study degree programme with limited places, you also need to register at [hochschulstart.de](https://hochschulstart.de).  
(If you apply for a degree programme without admission restrictions, please continue on page 12)

Applicants for Bachelor's degree programmes with no admission restrictions and for Master's degree programmes start directly here.

### Willkommen bei Hochschulstart

Hochschulstart ist eine Serviceplattform der Stiftung für Hochschulzulassung (SfH). Sie koordiniert die Bewerbungen für grundständige Studiengänge und ist zuständig für die Durchführung des Zentralen Vergabeverfahrens von bundesweit zulassungsbeschränkten Studienplätzen in den Fächern Humanmedizin, Tiermedizin, Zahnmedizin und Pharmazie.

Das Informations- und Bewerbungsportal informiert Sie, für welches Studienangebot Sie sich bei Hochschulstart bewerben können, wie Sie sich bei Hochschulstart um einen Studienplatz bewerben, was Sie bei der Auswahl Ihrer Studienwünsche beachten sollten und welche Termine für Sie wichtig sind. Diese Informationen helfen Ihnen bei der Bewerbung und können maßgeblich zum Erfolg Ihrer Bewerbung beitragen. Antworten auf einen großen Teil Ihrer Fragen finden Sie auch in unserem [FAQ-Bereich](#).

Bitte beachten Sie, dass die Informationen von Hochschulstart keine Studienberatung ersetzen kann. Es ist daher ratsam, sich frühzeitig und umfassend mithilfe des Informations- und Serviceangebots der Hochschulen mit den jeweiligen Studienangeboten bzw. den entsprechend zum Einsatz kommenden Regelungen auseinander zu setzen.

### Previous studies request

#### Previous studies request

Please enter the details of the previous university programme which you have started / completed.

If you studied multiple programmes, you can add another program by clicking the button "add previous studies" on the bottom left of the screen.

#### Important!

If you are applying for a Master's degree programme which requires VPD from Uni-Assist, please enter the equivalent German grade from the VPD as the Overall Grade. It is not necessary to enter the original grade from your degree transcript or the Preliminary Average Grade. Only the grade calculated by Uni-Assist is relevant.

If you have a VPD from Uni-Assist issued for your Bachelor's degree, please enter the degree date confirmed by Uni-Assist as the last date of your studies.

If you completed your Bachelor's degree abroad, please select "Abschl. Außerh. Deutschland" (degree obtained abroad) as the type of degree which you aimed to achieve. Also, please enter 180 Credits in both the "current credits" and the "credits upon completion of the degree". The exact number of credits will be determined by the Master Commission.

Which country did you study in?

Which degree do/did you aim to achieve?

What study programme did you study?

Period of study  
from (dd.mm.yyyy)  

to (dd.mm.yyyy)  

Overall grade (if already completed)

Preliminary average grade

Current credits

What is the status of this study program?

Credits upon completion of degree

If you studied in Germany, which university did you study at?

Add previous studies request

Back

If you have already studied in your home country or in Germany: fill in!

otherwise just "Next"

## Application

📅 Application semester: winter term 2023/24

### 1. Request: International Computer Science (B)

The fields marked with \* are obligatory. ← To overview

#### Choice of language

📘 Please select one of the following two options:

**Language Block B:**  
Please select this option if you can provide proof of German language proficiency at level B1 of the Common European Framework of Reference for Languages (CEFR) at the time of the application.

**German as a foreign language:**  
Please select this option if you can not provide a German B1 certificate at the time of application. In this case, you will need to take the corresponding compulsory modules "German as a foreign language" during the first four semesters.

\* Please select an option

📘 If you have chosen Language Block B, please upload your proof of these German language skills (level B1) here.

PDF-Upload

[Back](#) [→ Next](#)

Select language (only for ICS)

If you choose Block B upload proof of German language proficiency!

## Application

Application semester: winter term 2023/24

### 1. Request: International Computer Science (B)

The fields marked with \* are obligatory.

[← To overview](#)

#### Dual Studies

**i** This programme can also be studied as a dual study programme. If you have already entered an agreement with a company, please click on the link "Add dual studies" to enter the required information.

**i** Optional Application Content  
This application content is optional, you do not have to enter this. If you want to make an entry, click on the Add button. [Add Dual Studies](#)

[Back](#) [→ Next](#)

Only if a dual study programme is started (= study programme in combination with work / training in a company)!

Otherwise "Next"

The screenshot shows the 'Application' page for the winter term 2023/24. The page title is 'Application' and the breadcrumb trail is 'Home > Studies offered > Application'. The main heading is '1. Request: International Computer Science (B)'. Below this, there is a section titled 'Information about later submission of documents' with an information icon. The text explains that after application processing, users should check for missing documents and use the 'Document Upload option on the start page of the application portal'. An 'Important!' section lists instructions: only upload missing documents, select relevant categories, do not re-submit already uploaded documents, and check the 'Attach to my application' box. At the bottom, there is a confirmation dropdown menu: '\* I confirm that I have read this information:'. Below the dropdown are 'Back' and 'Next' buttons. A red arrow points to the 'Next' button.

## Application

Application semester: winter term 2023/24

### 1. Request: International Computer Science (B)

The fields marked with \* are obligatory. ← To overview

#### Information about later submission of documents

After your application was processed, you will see in the application portal whether any documents are missing. Please do not submit these documents by e-mail or post! Instead, you should use the Document Upload option on the start page of the application portal. You need to simply select the document category, upload the document and check the box „Attach to my application“.

**Important!**

- Please only upload documents which are shown to be missing in the application portal.
- There is no need to upload something in every document category. Just select the category which is relevant for you.
- Please do not re-submit documents which you have already uploaded with your application!
- Do not forget to check the box „Attach to my application“, because otherwise the document will not be attached.

\* I confirm that I have read this information:

#### Consent to the use of personal data

**i** I hereby consent to the compilation and processing of my personal data for the purpose of participation and implementation of the application and admission procedure. Categories of personal data that may be processed are contact data (name, address, e-mail address, telephone number), demographic data (age, sex, place and date of birth, nationality), data on vocational training, data on external and foreign university studies, time, place and type of university entrance qualification and passport photos. Consent to the compilation and processing of your personal data is voluntary, unless you are legally obliged to do so. In the event that there is no legal obligation to do so, you can revoke your consent at any time without giving reasons and without incurring any disadvantage. You can also revoke the consent you have given at any time in text form for any future use. This has no effect on the legality of the processing that has taken place with your consent before the revocation. In the event of revocation, your personal data will be deleted if there is no other legal justification for further processing.

\* Confirmation of consent (necessary for all programs!)

# General Information on Application

The study application is done electronically! Nothing has to be submitted in paper form! Please pay attention to the information in the portal!

If you would like to apply for more than one degree programme, click on "Add application for additional degree programmes".

Log in to HISinONE again a few days after submitting your online application and check your status.

Pay attention to emails from HISinOne, from OTH Regensburg and from Hochschulstart!

# Submission of Documents after the Application

The screenshot shows the 'Your Applications' section for 'winter term 2023'. It lists two requests: 'Business Studies (M)' and 'European Business Studies (M)', both in 'In preparation' status. Below this is the 'Upload documents' section, which is highlighted with a red border. This section contains a list of document types, each with a 'Choose file' button and a note 'max 20 file or files'. The document types include: Higher secondary school certificate/VPD, Proof of interview with faculty advisor, Exmatriculation certificate, Proof of language proficiency, Proof of public service in Germany / preliminary internship, Degree documents/transcript of records, Statement of purpose, Placement confirmation from the cooperating professional school, Confirmation of graduation among the top 10 percent, Proof of professional experience, Artistic portfolio, Motivation letter, Application for credit transfer, OTHER, and Enrollment documents. At the bottom of the red-bordered area, there is a checkbox labeled 'Attach to my application' and a 'Save' button. A red arrow points to the 'Save' button.

Subject	Request status
Request #1: Business Studies (M)	In preparation
Request #2: European Business Studies (M)	In preparation

**Upload documents**

The purpose of the "Upload Documents" function is to upload any **MISSING** documents from your application(s). To find out if you have to use the Upload function, you must first submit your application under "Start application" and wait for it to be processed. Within a few days after submitting your application, you will see in the application portal ("Your applications") if any documents are missing, and what these documents are. Please also check the status and the details of your application. If your application is "valid" and you are not shown any missing documents on the start page or in the details of your application, then there is no need to upload any more documents.

Higher secondary school certificate/VPD	Choose file (click here or drop in here, max 20 file or files)
Proof of interview with faculty advisor	Choose file (click here or drop in here, max 20 file or files)
Exmatriculation certificate	Choose file (click here or drop in here, max 20 file or files)
Proof of language proficiency	Choose file (click here or drop in here, max 20 file or files)
Proof of public service in Germany / preliminary internship	Choose file (click here or drop in here, max 20 file or files)
Degree documents/transcript of records	Choose file (click here or drop in here, max 20 file or files)
Statement of purpose	Choose file (click here or drop in here, max 20 file or files)
Placement confirmation from the cooperating professional school	Choose file (click here or drop in here, max 20 file or files)
Confirmation of graduation among the top 10 percent	Choose file (click here or drop in here, max 20 file or files)
Proof of professional experience	Choose file (click here or drop in here, max 20 file or files)

## Application portal of the dialogue-oriented service procedure (DoSV)

Registration and application to dialogue-oriented service procedure

In this portal you can find which courses offered in this service procedure, manage your applications and get the actual status for your applications. More information about the dialogue-oriented service procedure at [hochschulstart.de](https://hochschulstart.de).

### Log in

For the first login you need to register. You can then dial in via the access routes stored there via BundID or via DoSV-username and password you have chosen yourself. Please note that after this registration no further registration is needed for any subsequent procedures.

In order to submit applications you need a user account. Please note that a multiple registration is **not allowed** and that superfluous accounts including all applications will be deleted.

- Registration

Here you can get information on the admission-restricted courses of study offered in the current procedure.

Some higher education institutions probably have not yet released their courses of study. Please visit the application portal regularly and check if the courses of your chosen higher education institution are available.

For the search no registration is required.
